

2010 REUNION?

Did I get the year right-- **2010 REUNION?** -- I doubt many of us even thought about a reunion for the year 2010 when we seniors in 1965 were walking the halls going from class to class with our friends. Our thoughts were more likely focused on graduation parties, **THE PROM**, Senior Night on the Town, sweating out that last test we had to pass, graduation ceremony and dreams of our futures after graduation. These dreams have led our classmates in so many different directions both globally and professionally. Look at us NOW!

Our 45th high school reunion will be celebrated next year - it is time to gather and brainstorm ideas for this **GALA** event! These planning meetings (parties) for our past reunions have been very rewarding for those who participated and were more like mini-reunions prior to the big party.

Some of you have expressed an interest that you would like to join in this fun. The first meeting is scheduled for Wednesday, June 10, 2009 at Cynthia and David Floyd's home in Dickinson (details will be sent later). Please e-mail me if you are interested in joining in the fun to put this big bash together. If you are unable to be at any of the planning meetings and have any ideas, please e-mail them to me to share with the group.

We will also talk about an unofficial 'gathering' of classmates to be held this summer for any of you interested. This information will be e-mailed to you at a later date. We have held several of these mini-reunions in the past few years that were enjoyed by all -- check out the official TCHS Class of 1965 website created and maintained for us by Al Mitchell:

Several years ago David Floyd created a data base with the U.S. postal mailing addresses for our classmates. It is my guess that some of you have moved since its creation and need to change your address. It is most important for every classmate to receive an invitation to the 45th reunion, so please take a moment to reply to this e-mail and send me your current mailing address (even if you haven't moved). If you have contact information (either e-mail or postal addresses) for any classmates who may not have received reunion information in the past, please forward this e-mail to

them as well as send their contact information to me.

Looking forward to seeing you soon!
